

POSITION TITLE: Therapist (LMFT/IMF, LCSW/ASW, Clinical Psychologist)

ORGANIZATION RELATIONSHIP and PURPOSE: The Therapist reports directly to the Clinical Manager.

POSITION SUMMARY:

The Therapist provides mental health services for children ages 0-18 with an emphasis on ages 0-5 and their families. Duties include: to promote and model ethical and sound professional and clinical judgment in working with clients, staff, and the community; participate and contribute to a positive and supportive work environment; share in the upkeep and care of the facility; participate in community events and presentations; participate in special time studies and gather information required for grant reports.

DUTIES AND RESPONSIBILITIES OF POSITION:

1. Therapeutic Intervention

- Complete Mental Health Assessments.
- Develop treatment plans with measurable and observable goals.
- Provide developmentally appropriate therapeutic interventions for children and families.
- Complete all agency required documentation and grant-specific documentation in a timely manner using agency's electronic health records system.
- Provide a minimum of 60% clinical hours of billable services (including individual, family, and group therapy; collateral contacts; plan development, case management, etc).

2. Other Responsibilities

- Attend and participate in team meetings, staff meetings and required training. Present cases to assess effectiveness of treatment, level of treatment, and review and update treatment goals.
- Provide the highest possible level of service to clients.
- Promote teamwork and cooperative effort among employees.
- Maintain safe practices.
- Abide by the Child Haven's policies and procedures.

MINIMUM REQUIREMENTS:

1. Education and Experience

- Master's degree and licensed or registered in Social Work, Psychology, Marriage and Family Therapy or related field.
- One year experience providing treatment to children who have experienced trauma and/or neglect, and their caregivers.
- Working knowledge of child and family development, home and center-based services.
- Knowledge of the MediCal reporting and HIPAA regulations.

- Experience recognizing and treating multiple and co-occurring types of trauma, attachment disorders, post-traumatic stress disorders and other social and emotional health issues of children ages birth – 5 years of age and older, as well as addressing the diverse and cultural needs of child and family preferable.

2. Special Skills, Licenses and Certifications

- Must have current and active CA BBS (MFT or LCSW) or Board of Psychology (PhD) Licensure or Registration.
- Knowledge of therapeutic mental health intervention services for children and families who have experienced trauma and neglect to promote healthy development and prevent child abuse.
- Must be able to provide therapy services in a variety of settings including but not limited to the home, clinic, community centers, schools, etc.
- Excellent written and oral communications skills. Excellent interpersonal skills to develop and maintain critical internal and external relationships to achieve organizational goals and objectives. Ability to handle varying situations with tact and diplomacy.
- Accurate and on-time completion of paperwork.
- Ability to organize and triage tasks.
- Ability to work in challenging environment.
- Computer literate.
- Valid California driver's license and must provide annual proof of automobile insurance that meets or exceeds the state minimum coverage requirements.

WORK ENVIRONMENT AND PHYSICAL DEMANDS:

- Agency offices (Vallejo and/or Fairfield), client homes, community partner facilities
- Close contact with clients
- Must be able to operate a vehicle used on company business
